How smart are the young!

A father wanted to read a magazine but was being bothered by his little girl, Shelby. She wanted to know what Canada looked like.

Finally, he tore a sheet out of his new magazine on which was printed the map of the country.

map of the country.

Tearing it into small pieces, he gave it to Shelby and said, 'Go into the other room and see if you can put this together. This will show you our whole country today.'

After a few minutes, Shelby returned and handed him the map, correctly fitted and taped together.

The father was surprised and asked how she had finished so quickly.

'Oh,' she said, 'on the other side of the paper is a picture of Jesus. When I got all of Jesus back where He belonged, then our country just came together.'

If you plant faith in God, you will reap a harvest

Remembering our Canadian Military "God of love, compassion and wisdom, be with our Canadian Military personnel in the various parts of our world. Make your presence known to them in their important but often lonely mission. Give your wisdom to their leaders who are often called upon to make serious and difficult decisions about our military role in the world. We make this prayer in the name of your Son, Jesus. Amen."
