

Immaculate Conception Vision Statement

Rooted in the timeless teachings and traditions of the Catholic Church, including Scripture and Eucharistic Communion, Immaculate Conception Parish is a vibrant, spirit-filled community, where every person is welcomed, valued and transformed into a joyful disciple.

United and guided by the Holy Spirit, we seek to encounter Jesus through reverent worship, intentional discipleship, authentic friendship and joyful fellowship that extends beyond our church walls.

Nurtured as a family of missionary disciples, we foster small groups and ministries to which all parishioners belong, that deepen our unity, strengthen our faith and create lasting relationships.

Committed to caring for the vulnerable, strengthening family life, and forming hearts through ministries that bring healing, belonging and purpose, we build the Kingdom of God within our hearts. By invitation to the wider community, we shine as a beacon of hope and light to all who are seeking, hurting or lost.
